**Multipurpose Residential Fire Sprinkler Systems Work:** No person shall perform Multipurpose Residential Fire Sprinkler systems work unless such person has obtained a license pursuant to Section 20-332 of the CT General Statutes, Regulations of CT State Agencies. Such license shall be renewed consistent with the renewal process for the prerequisite plumbing-piping licenses.

### **Application and Examination:**

Multipurpose Residential Fire Sprinkler Systems License Application

Candidate must review the Bulletin of Examination information which can be located at: [www.psiexams.com](http://www.psiexams.com) (<http://www.psiexams.com>) or call (800) 733-9267 (toll free)

**To obtain the classroom instruction and course certificate from N.F.S.A.**

Course titled 'One and Two-Family Dwellings - Multipurpose Residential'

Go to: [www.nfsa.org](http://www.nfsa.org) (<http://www.nfsa.org>). National Fire Sprinkler Association. Look under the heading: 'Training'

**Limited Multipurpose Residential Sprinkler Contractor License (F-5).**

The holder of this license may do such work limited to the handling of materials, installation, alteration, extension, removal, repair, maintenance or renovation of a multipurpose residential fire sprinkler system involved with water based fire sprinkler systems, for protection against fire hazards in one- and two-family residential dwellings and mobile manufactured homes. In order to obtain such license, a person must (1) have served at least two years as an F6 journeyman or, (2) have been issued a P-1 license and have been certified as completing a multipurpose residential fire sprinkler systems course approved by the department which includes the codes and standards adopted by the state of Connecticut for a multipurpose residential sprinkler system.

**Limited Multipurpose Residential Sprinkler Journeyman License (F6).**

The holder of this license may perform work limited to the handling of materials, installation, alteration, extension, removal, repair, maintenance or renovation of a multipurpose residential fire sprinkler system involved with water based fire sprinkler systems, for protection against fire hazards in one- and two-family residential dwellings and mobile manufactured homes; however, such holder may only do such work while in the employ of a contractor licensed for such work. A limited multipurpose residential sprinkler journeyman license may be issued by the department, to any person who (1) has been issued a P-1 or P-2 license and (2) has been certified as completing a Multipurpose Residential Fire Sprinkler systems course approved by the department which includes the codes and standards adopted by the state of Connecticut for a multipurpose residential sprinkler system.
